

RACHID FIRADY

Junior Head of Industrial Procurement & Supply Chain

✉ rachidfiradyit@gmail.com

☎ +39 339 415 6783

📍 Sassari, Italy

Experienced professional with a proven track record in procurement, quarry operations, logistics, and financial management (RAF) in Morocco, currently pursuing a Master's Degree in Data Analysis in Italy. This international academic journey elevates my operational background to a global scale, sharpening my analytical, reporting, and data-driven decision-making skills to optimize industrial performance

WORK EXPERIENCE

• 08/2023 - 03/2024

CAPITALE GRANULATS

Rabat Morocco

ADMINISTRATIVE & FINANCIAL MANAGER

- Executive Board Reporting: Cross-departmental dashboards consolidating unit production costs per ton, gross margins, volumes, and HR data.
- Treasury & Capital Financing: Cash flow management and heavy machinery leasing arrangements with banking partners.
- Credit Control & Compliance: Structured accounts receivable recovery at 30/60 days, year-end closings, and statutory tax/audit compliance.

• 07/2020 - 08/2023

RAYON CARRIERES

Rabat Morocco

PROCUREMENT, LOGISTICS & OPERATIONS MANAGER

- Operational Analytics: Weighbridge analytics monitoring fuel/explosives consumption per ton and heavy fleet cycle times.
- Technical Sourcing & Fleet: Procurement of crusher wear parts and preventive maintenance scheduling for excavators, loaders, and dumpers.
- Dispatch & Transport Logistics: Outbound truck turnaround under 15 minutes, axle weighing compliance, and third-party carrier chartering.

• 01/2019 - 07/2020

GALVAMED

Rabat Morocco

PROCUREMENT & SUPPLY CHAIN MANAGER

- Procurement BI & Reporting: ERP dashboards tracking material price variances (e.g., zinc/chemicals, TCO, supplier OTIF rates).
- Sourcing & Cost Reduction: Strategic supplier negotiations yielding 10%-15% cost savings on industrial tooling and reagents.
- Inventory & Inbound Flows: Automated reorder triggers on critical parts to prevent line halts while optimizing working capital.
